The Lord's prayer

Our Father who art in heaven, Hallowed be thy name.

Thy kingdom come, Thy will be done on earth, as it is in heaven.

Give us this day our daily bread.

And forgive us our debts, as we forgive our debtors.

And lead us not into temptation, but deliver us from evil:

For thine is the kingdom, and the power, and the glory, for ever and ever.

Amen.

PCC Mission Moment:

World Soil Day

Soil gives life and supports livelihoods around the world. In Badin, Pakistan, Rabia's life depends on access to rich, fertile soil—she needs it to grow the crops she sells each week at the market. But an especially dry summer has led to severe water shortages in her village. Rabia's soil was too arid to yield the produce she needs. With support from PWS&D and Canadian Foodgrains Bank, Rabia has learned to adopt agricultural practices that use less water. She also received seeds to grow crops that can survive extended dry periods. "This is highly beneficial for farmers like me, who reside in water-scarce areas," shares Rabia.
