**Serving vulnerable people in Romania**

Life is difficult in Romania. The monthly salary of a school teacher is the equivalent of about \$250 USD, so many people feel forced to leave in search of work in other EU countries. This economic migration is creating new challenges for the Romanian society. There are over 300,000 migration orphans and a growing number of elderly people who are left behind. The good news is that they are not left alone. Since 2011, Diakonia Christian Foundation for Social Work of the Reformed Church in Romania has been reaching out to Roma children, people living with disabilities, and the elderly. In 2017, the foundation's social workers and volunteers made over 8,200 visits to the elderly, providing services such as helping with personal hygiene, cleaning and providing medical care or devices. Your gifts to *Presbyterians Sharing* are helping to accompany and care for vulnerable people in Romania.
