**A big thank you from Circle Six to everyone who helped make the Book and Bake Sale a great success.**

**We will keep books out a couple of weeks after the sale. Books are in the lower hall. When you buy a book pay by the honor system.**

**A reminder** – to help the property committee meet expenses it's easy **to fill a Tooney-Tube** and drop it in the offering. Putting in a tooney here and a tooney there adds up surprisingly fast and is much appreciated! Empty tubes are available at both church entrances.

**The property committee reminds everyone** to make sure doors are locked during activities and when they leave the church. This notice is being sent to all groups using the church facilities. There have been a couple of break-ins and we need to stress security.

**Lighthouse Community Church on Parker Street** invites you to join for a Retreat exploring Contemplative Prayer with author-speaker Phileena Heuertz, called **“Simple Journey”**.

**PCC Mission Moment:**

**Serving a mission hospital in Malawi**

Sending people to serve internationally is one of the ways the PCC nurtures relationships with partner churches. Claire Fowler, a first year medical student at the University of British Columbia and a member of Langley Presbyterian Church in BC, volunteered with David Gordon Memorial Hospital in Malawi for four weeks in June 2018. Working alongside Malawian doctors, nurses and clinical staff, she gained valuable experience and built relationships. The hospital staff and patients appreciated Claire's enthusiasm and dedication. Claire is grateful for the PCC's support and for the opportunity to gain a more global perspective on medical work.
