## PCC Mission Moment: Creating community for new Canadians

Life in Christ Ministry provides support and assistance for Arabic and Farsi speaking refugees living in the Greater Toronto Area. Each year, the ministry offers a New Beginnings Training Program that provides practical workshops aimed at helping refugees adapt to local Canadian communities, including learning English and developing other life skills. By offering games and activities for children at the same time as adult workshops, the program responds to a need for parents to attend programs with their children. In addition, the program provides meaningful job opportunities for students and volunteers.

**In support of ongoing clean water projects through Paterson Memorial Presbyterian Church and St. Giles Presbyterian Church,** Trevor Jamieson will

be displaying a series of paintings at the Refined Fool Brewing Company's Davis St. location. The artworks raise awareness of the urgency of the climate crisis and the necessity of clean water. Trevor's artwork will be on display for the month of April, with a special First Friday Opening on Friday, April 5<sup>th</sup> at 7:00 pm. All proceeds from the sale of this artwork will be in support of Water First, "Canada's leading charitable organization working with First Nations communities to solve local water challenges through education, training and meaningful collaboration."
