**Dreaming of peace**

For Amina, Saber and their five children, poverty had become an all too sudden reality. When bombs fell on their town of Suran in Syria, their peaceful life shattered—their home collapsed and basic necessities like water, food and electricity became scarce. Displaced within their own country, broken by over eight years of conflict, Amina and Saber were losing hope. But for the past several months, the family has been receiving monthly food and hygiene baskets through a Presbyterian World Service & Development supported project with Canadian Foodgrains Bank partners. Over meals of beans and rice, Amina and Saber can find a moment of comfort as they dream of peace and security for their beloved country.
