The Lord's prayer

Our Father who art in heaven, Hallowed be thy name.

Thy kingdom come, Thy will be done on earth, as it is in heaven.

Give us this day our daily bread.

And forgive us our debts, as we forgive our debtors.

And lead us not into temptation, but deliver us from evil:

For thine is the kingdom, and the power, and the glory, for ever and ever.

Amen.

A PCC Mission Moment Healthy start for newborns

In addition to providing skilled and compassionate care during pregnancy and delivery, PWS&D’s maternal, newborn and child health program is improving the well-being of children during their first few years of life. Part of this is ensuring that newborns access postnatal care and necessary vaccinations. In Afghanistan, Fatima hadn’t had her 10-month-old seen by a health worker since the day she was born. She is filled with gratitude for the community health worker who visited her home and told her about the importance of protecting newborns against infection through vaccinations. The health worker also told Fatima that this care is provided at a new PWS&D supported health facility only two kilometres away. “I would not have known how important vaccinations are for children,” shares Fatima.
